- corn flakes
- Smoothie (ice natural juice)

MAGIC STRAW

FIRST IN ASIA

MULTIVITAMIN *milk* STRAW

Ca and vitamin D are important and necessary factors for the growth and health of the body, which are well found in dairy products, especially milk. Lack of calcium and vitamins, especially in growing and old age, leads to weakening of the body's immune system, hair loss, softening of bones, and short stature, so the enriched milk straw of Kix contains vitamins (A, D3, B2, B5, C) in addition to For people who do not like the taste and smell of plain milk, it has a variety of flavors and an attractive and exciting appearance. It also guarantees freshness and health by having essential factors for the body. There are no artificial colors, flavors, or preservatives used in the ingredient of Kix's enriched dragees it is suitable for vegetarians and celiac patients

• Gluten-free

As a medicinal supplement, available in pharmacies
4 flavors: chocolate, strawberry, banana, melon

Gummy

MULTIVITAMIN *milk* STRAW

ATP Group is proud to be the third producer of milk flavoring straws products in the world, and with the help of its powerful research and development team, it has succeeded in producing supplemental products rich in vitamins (A, D3, B2, B5, and C) for this group.

At the beginning of 2020, the production of functional milk straws was started for the first time in Asia by ATP Group, which was met with a unique reception from consumers.

How to use

**FOR ALL
AGES**

ATP Group is proud to be the third
producer of milk flavors.

The useful milk straw product

enriched with vitamins provides 30% of the body's daily need for vitamins (A, D3, B2, B5, and C).
